MEMORANDUM FOR: General Wilson

SUBJECT: Deadline on DCID 7/1

I would suggest that we advance the deadline on DCID 7/1 from 12 June to 1 July 1975. The reasons are:

1) The problem is far more complex than was visualized when the first deadline was set.

2) We desire to incorporate some existing procedures (e.g., relating CRITICS to NOIWON) and some new procedures (e.g., a CRITIC QUERY, which allows questions to be asked down the chain of command).

3) The press of other high priority efforts (e.g., a dedicated, high quality, secure, speaker phone voice link as a precursor to CONTEXT).
